## **My Very First Library** Eric Carle

Here is the perfect gift for young children learning their colors, shapes, and numbers. All four of Eric Carle's popular new split-page board books are now packaged together in a slipcased library. A game as well as a learning experience, these early concept books are both fun and smart.

Children can turn the top pages independently from the bottom pages, creating a matching game that offers all the charm of Eric Carle's bright collage illustrations. Collected here are *My Very First Book of Colors*, *My Very First Book of Shapes*, *My Very First Book of Numbers*, and *My Very First Book of Words*. Irresistible fun for young hands and minds!

### **From reader reviews:**

#### **Christopher Mueller:**

The book My Very First Library can give more knowledge and information about everything you want. Why then must we leave the good thing like a book My Very First Library? Wide variety you have a different opinion about reserve. But one aim this book can give many details for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or data that you take for that, you are able to give for each other; you can share all of these. Book My Very First Library has simple shape but you know: it has great and large function for you. You can look the enormous world by available and read a guide. So it is very wonderful.

#### **Carol Boissonneault:**

Do you have something that you prefer such as book? The reserve lovers usually prefer to opt for book like comic, small story and the biggest an example may be novel. Now, why not trying My Very First Library that give your satisfaction preference will be satisfied by simply reading this book. Reading practice all over the world can be said as the opportunity for people to know world considerably better then how they react toward the world. It can't be stated constantly that reading addiction only for the geeky particular person but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you could pick My Very First Library become your current starter.

#### **James Wendler:**

Your reading 6th sense will not betray you actually, why because this My Very First Library book written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still skepticism My Very First Library as good book not only by the cover but also through the content. This is one e-book that can break don't evaluate book by its handle, so do you still needing one more sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

#### **Harold Dalton:**

This My Very First Library is great reserve for you because the content that is full of information for you who always deal with world and possess to make decision every minute. That book reveal it info accurately using great plan word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having My Very First Library in your hand like finding the world in your arm, facts in it is not ridiculous a single. We can say that no reserve that offer you world inside ten or fifteen small right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt this?
