What's Your Frequency?: How To Effectively Use Energy To Powerfully Enhance Every Aspect of Your Life Ed Kuiper

This Book Can Change Your life! "What's Your Frequency?" is a unique primer about perceiving energy and using it to powerfully create the life you have always wanted. Ed Kuiper, the author, decided to write this book when he literally found himself pulled from the business world after 40 years and pushed into a world of supernatural and synchronistic events, all of which involved energy. Not only did these events change him forever, but they were a great motivator to share them with you. Ed channeled most of the book's information from Master Spirit Guides, Mazzur and Melekar. So you are sure to find it very unusual because you will be learning about energy from a very unusual perspective. Specifically, you will learn..... * How energy pervades and dramatically effects every aspect of your life * How to use energy to recreate your personality with traits you've always wanted, but never thought you'd have. * How to use the power of energy to deal with a multitude of problems and issues you could encounter in your life * How to powerfully enhance yourself with spiritual energy to make your life flow smoother.
