## **IS IT NATURAL TO FALL IN LOVE?: A Sociological Guide to Love and Romance (Romantic Love Series Book 1)** Vivencio Ballano

Is it natural to fall in love? How can we know that our romantic relationship is real and leading to true love? What physical traits are attractive to men and women in romantic love? What are other forms of love and "unhealthy" romantic love?

This book aims to address these questions and provide some sociological insights on how to deal with romantic relationship and to find the right partner. It is hoped that this book can make lovers and romantics wiser and more empirical in their quest for true love and lasting relationship.
