The End Times Passover: (Etymological Challenges to Millenarian Doctrines) Joe Ortiz

WILL CHRISTIANS EXPERIENCE GREAT TRIBULATION? Most evangelical Christians believe in a Pre-Tribulation Rapture, and they believe it is right around the corner. They believe that Armageddon is knocking at the door. The crisis and battles for territorial rights in the Middle East, the outbreak of Holy Wars and terrorism throughout the world, have most evangelicals convinced the end is near! But, they aren't worried because their hopes lie in The Rapture; a unique event they believe will have Jesus Christ returning to earth to secretly snatch them up to heaven while all hell breaks loose on earth! What will happen to their faith if they are proven wrong? The End Times Passover not only biblically proves there will be no Pre-Tribulation Rapture, it proves that The Bride of the Lamb is not the Church, that there will not be a 1000 year millennial reign of Christ, that the human soul does not go to heaven or hell immediately after death, that the Promised Land is not in the Middle East, that God's children of promise are not solely ethnic Jews, that the church of God began thousands of years before the Day of Pentecost, and that God's true disciples will experience great tribulation. This may not sound like Good News; but it's absolutely true! Whether you are a Christian or not, are you prepared to read this book and finally learn the truth? We dare you! We also dare your pastor, your Bible studies teacher and folks like Hal Lindsey, Tim LaHaye, Dr. Tommy Ice, Jerry Jenkins, Pat Robertson, Jerry Falwell and thousands of other teachers and believers of the Pre-Tribulation Rapture to read this book! We dare these few good men to read and study this book, and tell us if they think they can really handle the truth!
