## THE SEARCHER

### THE SEARCH BEGINS ...

Once, John Stone had everything a man could ever want: wealth, position, and a woman who loved him. But that was before the Civil War. Now he's lost his fortune, and his fiancée has disappeared. All he has left is his Colt, a picture of Marie, and a mission—to roam the west until he finds the woman he loves.

### HE IS THE SEARCHER ...

The settlers were on their way to a new life in Texas, while John Stone was stirring up the ashes of a life that died with the war. Still, he signed on to act as a scout for their wagon train. Maybe Marie had found her way to Texas ... Maybe he'd find someone who'd seen her ...

Or maybe he'd die on the trail, killed by Indians, outlaws or thirst.

Either way, John Stone had a dream. And nothing could stand in his way.

## LEN LEVINSON, ALIAS JOSH EDWARDS

Hailed as a 'trash genius', Len Levinson was born in New Bedford, Massachusetts, served on active duty in the U.S. Army from 1954-1957, and graduated from Michigan State University with a BA in Social Science. He relocated to NYC that year and worked as an advertising copywriter and public relations executive before becoming a full-time novelist. Len created and wrote a number of series, including The Apache Wars Saga, The Pecos Kid and The Rat Bastards. He has had over eighty titles published, and PP is delighted to have the opportunity to issue his exceptional WWII series, The Sergeant in digital form. After many years in NYC, Len moved to a small town (pop. 3100) in rural Illinois, where he is now surrounded by corn and soybean fields ... a peaceful, ideal location for a writer.
