**The Way of Beauty: Liturgy, Education, and Inspiration for Family, School, and College** David Clayton

In *The Way of Beauty*, David Clayton describes how a true Catholic education is both a program of liturgical catechesis and an inculturation that aims for the supernatural transformation of the person so that he can in turn transfigure the whole culture through the divine beauty of his daily action. There is no human activity, no matter how mundane, that cannot be enhanced by this formation in beauty. Such enhanced activity then resonates in harmony with the common good and, through its beauty, draws all people to the Church--and ultimately to the worship of God in the Sacred Liturgy.

*The Way of Beauty* will be of profound interest not only to artists, architects, and composers, but also to educators, who can apply its principles in home and classroom for the formation and education of children and students of all ages and at all levels--family, homeschooling, high school, college, and university.
