Chelsea has always had this fantasy of being fucked by her husband and her husband's boss, but she felt like her husband would never be into that. He was a straightedge, and not the type of man who would be into that sort of thing. However, things changed when he came home that night. He told her that there was a secret meeting that he wanted her to come to, and she was curious about this. Little did she know though, that she was in for quite the surprise.

She walked in a bit confused, that is until she saw her husband's hot boss Mortimer. But Mortimer wasn't here for any old meeting, but a one just between the three of them. Chelsea and Gavin thought it was something bad, but when Mortimer, her husband's boss, came to them with a proposal that they both knew they wouldn't refuse, Chelsea was in for quite the treat. Of course, she wondered how this would go, because it meant that they would probably have to figure it out if it was for them or not. Would Chelsea get to indulge in her pleasures? And would her husband like this? This hot group sex story will make your mouth water, and it contains hot sex between a woman who is desperate for lust between her, her husband, and her husband's boss, and the fun that they get into because of this desire.
