This book covers the twelfth six-month period since Susan launched her career as a world-class musical entertainer following her 2009 success on Britain's Got Talent. The first half of 2015 seems to have been declared one of rest and rejuvenation from the incredibly busy 5-1/2 years spent establishing her professional credentials. During this six months, album #7 was completed as were her courses at the Royal Conservatoire of Scotland. She made numerous non-performing guest appearances supporting various causes. She attended many concerts and shows in Glasgow and Edinburgh. She was in Rome for a few days. She spent a week in Lourdes with her church group. She attended Bernard Hiller's acting Masterclass in London. She received an Honorary Degree from the Royal Conservatoire of Scotland. There were no performances. However, two were already scheduled for the second half of 2015 — as a very special guest of Elaine Paige at Glamis Prom at Glamis Castle in Angus, Scotland on July 18 and at "SuperSkouspel" at FNB Stadium in Johannesburg, South Africa on September 19.
