Augustine: Later Works (The Library of Christian Classics)

Augustine: Later Works (The Library of Christian Classics)

This volume, a part of the Library of Christian Classics series, explores Augustine's classic work on the Trinity and his understanding of Paul, as well as his powers as a preacher.

Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.
