More than a devotional book, Forty Days of Prophetic Miracles will propel you to a prophetic journey that will help you step into the realm of miracles. It will equip even the weakest person for an astounding supernatural experience. The book was born out of three decades of prophetic praying for the body of Christ. The author has seen God work great things through prayer; but at the same time, he has great concern that the ministry of tears through prayer is gone from the church. If the righteous will commit to vehement, earnest and heartfelt prayer they will once again produce wonderful miracles.
