Lose yourself in a faraway land...

That even includes the sexy new guard, Russell, who has been watching Antoinette with a seductive glare since being appointed to King's guard.

Antoinette finds a chance to escape the King's rule when a sexy Count, wealthy from his successful business ventures, visits the castle. As their meeting progresses, the Princess realizes the extent of the King's ruthless leadership as he threatens to trade her as part of a business deal.

Destroyed, Antoinette must make a decision - to be a pawn in the King's castle games or take her fate into her own hands by exploiting her royal power with the only man truly looking out for her...
