The new edition of this comprehensive test-preparation manual has been radically revised and updated to reflect the most recent Graduate Record Exams in length, structure, question types, and degree of difficulty. The book features five model tests with answers and explanations. It also contains all new and up-to-date subject review material in its mathematics and analytical ability sections, as well as all-new questions in those sections of the model tests. Other important features include a 3,500-word vocabulary building list, plus practice and review in sentence completion, reading comprehension, and all other test areas.
